

Inspire creativity when you hold your next meeting, retreat or conference surrounded by the beauty and splendor of the Rotary Botanical Gardens. The Gardens is the perfect setting to make your event both distinctive and memorable.

Rotary Botanical Gardens offers four individual rooms, each 19' x 31' with separate access, for business meetings, training sessions or retreats. The rooms expand to create customized spaces for conventions, banquets or sales seminars. The stunning atrium provides natural lighting and a breath-taking view of the gardens, creating a convenient area for reception with a coat room, gift shop, and restroom facilities close at hand. The atmosphere is calming and quiet, with access to 25 internationally themed botanical gardens to stimulate your mind and create an inspiring and productive environment.
