

2023 Rotary Botanical Gardens Fairy Garden Wreath Workshop

This workshop will begin with an introduction to constructing your fairy garden wreath. We'll discuss possible versions for your fairy wreath based on the materials provided and your vision. Provided materials include: grape vine wreath form, dried moss, fairy pieces and other small trinkets, dried oranges, cinnamon sticks, dried grasses, and other flowers. If you have any small trinkets or fairy garden accessories that you would like to bring in to add a personal touch to your fairy garden wreath, please do! We will have all the necessary supplies to attach and add any material/object. Please call, 608-314-8415, or email Education@rotarygardens.org for any specific questions.
