

## 2024 Rotary Botanical Gardens screening of Five SEASONS: The Gardens of Piet Oudolf

Join us at Rotary Botanical Gardens for a special documentary screening of Five SEASONS. During this 75min documentary, you will become immersed into Piet's creative process, as we follow him through his garden designs, sketches, and several garden installations in places like Chicago, New York, England, and the Netherlands. Light refreshments will be provided courtesy of RBG.

"For me, garden design isn't just about plants, it is about emotion, atmosphere, a sense of contemplation. You try to move people with what you do. You look at this, and it goes deeper than what you see. It reminds you of something in the genes — nature, or the longing for nature."

– Piet Oudolf
