

2024 Rotary Botanical Gardens – Super Seed and Plant Swap Saturday

Gardening enthusiasts and plant parents are welcome to join us for our annual Seed and Plant Swap. Exchange seeds, foster community connections and expand your collections. Rotary Botanical Gardens will also contribute various vegetable and flower seeds, adding to the diversity. Following the swap, we will provide a seed starting demo and seed starting Q&A session. Then, the event will conclude with a presentation by Director of Horticulture, Michael Jesiolowski, offering insights into recent garden developments and exciting plans for the upcoming growing season. Signing up in advance is not required, but we encourage you to.
