

ENRICHING LIVES THROUGH NATURAL BEAUTY, EDUCATION AND THE ARTS.

2022 Rotary Botanical Gardens – Bumble Bees of South-Central Wisconsin

Get acquainted with the bumble bees found in south central Wisconsin. This program explores the biology of bumble bees, their flower preferences, and how to identify our local species. We will walk through the gardens to observe bees and see what species we can find. Learn how you can help sustain bee populations. This program features Ann's bumble bee photos.

To register, please complete this form and submit with your payment in person, by mail, or by phone.

- **In person:** at our Garden Gift Gallery (check, cash, or credit card) – *Check our website for our current hours.
