

ENRICHING LIVES THROUGH NATURAL BEAUTY, EDUCATION AND THE ARTS.

## 2022 Rotary Botanical Gardens The Chakra System Displayed in a Garden

Learn how plants connect to this ancient system of wellness. Jane Hawley Stevens has created a living classroom that teaches how plants can benefit different body systems through the lens of a garden. Her Chakra Garden has seven distinct areas that correspond with these energy centers, designed with plants that rejuvenate. This eastern philosophy is a fascinating system of healing and the garden design helps explain it.
